Permitted Uses

ARTICLE 4. PERMITTED USES AND REGULATIONS

- §4.1 Open Space Uses
- §4.2 Residential Uses
- §4.3 Commercial Uses
- §4.4 Industrial Uses
- §4.5 Institutional Uses
- §4.6 Accessory Uses
- §4.7 Description of Permitted Uses

Land, buildings and other structures may be used as set forth in this Article. Only the uses listed below are intended to be allowed in the Town.

More than one (1) use shall be permitted on a single lot if:

- (1) Each use individually is permitted in the zone (special exceptions must be obtained where required);
- (2) The required parking for each use is provided;
- (3) All other requirements for each use are met. In the event that such requirements differ for different uses, the more restrictive requirements shall apply; and

An “N” indicates the use is not permitted; however, a non-permitted use may be permitted by variance (see Article 12, “Variances”). A “C” indicates that the use is permitted with the issuance of a conditional use permit granted by the Planning Board in accordance with the provisions of Article 21, “Conditional Use Permits”.
